Increased Need → A New Initiative

More families than ever are visiting Phoenix Rescue Mission's Hope For Hunger Food Bank for help with food insecurity.

This year, PRM is launching **Thanksgiving For Every Family**, a community-wide initiative to help under-resourced families gather around a Thanksgiving meal and experience a sense of belonging, gratitude, and hope.

Through partnerships with businesses and community groups, we will provide complete Thanksgiving meals to 3,000 families across the Valley.

Meal Distribution Days: November 9 - 20, 2026
