

Hope Tote Checklist

Thank you for making Hope Totes for the Mission! These bags are used by our Street Outreach team as a relationship builder to reach men and women living on the streets. As we meet basic needs, we have a long-term mentality in providing case management services.

For the following items, we recommend filling a gallon-sized Ziploc bag with new, travel-size items.

- Shampoo & Conditioner
- Soap or Body Wash
- Chapstick
- Lotion
- Sunscreen
- Tampons or Pads
- Pair of Socks (neutral colors, please)
- Bible or Gospel Tract (optional)
- White T-Shirt
- Hat
- Electrolyte Packets

Upon completion of the drive, or if you have any questions, please
contact us at gikhhelp@phxmission.org
