

Hope Tote Checklist

Thank you for making Hope Totes for the Mission. These bags are used by our Street Outreach team as a relationship builder to reach men and women living on the streets. As we meet basic needs, we have a long-term mentality in providing case management services.

For the following items, we recommend filling a gallon-sized Ziploc bag with new, travel-size items.

Year-Round:

- Shampoo & Conditioner
- Soap or Body Wash
- Chapstick
- Lotion
- Sunscreen
- Tampons or Pads
- Pair of Socks (neutral colors, please)
- Bible or Gospel Tract (optional)

Summer:

- White T-shirt
- Hats
- Electrolyte Packets

Winter:

- Gloves or Mittens
- Scarves
- Beanies or Winter Hats

Upon completion of the Hope Totes, or if you have any questions, please contact us at gikhhelp@phxmission.org
